BECAUSE OF YOU

## IMPORTANT DATES:

**May 1** – ODAF Renewal Deadline, Football Season Ticket Renewal Deadline and 2023 ODAF Renewal Day Celebration

**August 23** – Basketball Renewal Deadline

**December 31** – Last Day to make a Because of You donation in the 2023 Tax Year

## New Dawn. New Day.

There is much to celebrate as ODU Athletics wraps up our first year in the Sun Belt Conference.

Our women's soccer team won ODU's first Sun Belt title this past fall, defeating James Madison in the championship game. Our field hockey team won the Big East regular-season title and our men's soccer team defeated Marshall, which was ranked 4th nationally at the time.

ODU's football team stunned Virginia Tech in our season home opener and upended Sun Belt East Division champion Coastal Carolina on the road, both on national TV. We had our first FBS All-American in linebacker Jason Henderson and set a home attendance record, with two sellouts and an average attendance of 20,232, an increase of 27% from 2021.

Our 2023 football schedule is very attractive as we host Wake Forest, the fourth ACC team to play at S.B. Ballard Stadium since we moved to FBS, as well as games against Sun Belt stalwarts Appalachian State and Coastal Carolina. Ticket prices remain the same as they were in 2022.

Our student-athletes were also winners off the field. Our 466 ODU student-athletes set a record for the fall semester with a composite 3.28 grade point average. We had 191 on the Dean's List (3.4 or better) and 61 with a perfect 4.0 GPA. In addition, our student-athletes completed 2,669 hours of volunteer work, from feeding the homeless to working with special needs children, which ranks 17th nationally for community service hours among the 363 NCAA Division I schools.

The Old Dominion Athletic Foundation raised a record \$18 million in calendar year 2022 to support athletic scholarships, improve our facilities and provide a competitive advantage for all ODU coaches and student-athletes. For the 10th year in a row, every ODU athletics employee donated to ODAF. That shows the dedication and passion of those who coach and care for our student-athletes have for ODU Athletics.

Donations assisted us in hiring Dr. Sonja Lund and a mental-health support team to provide dedicated mental health counseling for our student-athletes. We are setting up nutrition centers at both the L.R. Hill Sports Complex and the Jim Jarrett

Athletic Administration Building to benefit all ODU student-athletes. And this year, ODAF will fund \$5 million in scholarships for our athletes, which is 45 percent of our total scholarship bill.

ODU recently hired Populous architects to design a \$20 million renovation and expansion of the Bud Metheny Ballpark. ODU has raised nearly \$8 million, including a \$2.5 million donation from Dennis and Jan Ellmer to name the stadium. The University has provided \$10 million for the project. Thank you President Hemphill.

We could not achieve the academic and athletic success we enjoy without your generous support. Please, consider joining the ODAF and purchasing season tickets to the best family entertainment available in Hampton Roads. Your donations go to support winners – in the classroom, on the field, and in life.

Thank you so much for your support of ODU Athletics. I look forward to seeing you on campus soon.

GO MONARCHS!

Cordially,

Dr. Camden Wood Selig  
Director of Athletics

# ODU LAUNCHES \$500M CAPITAL CAMPAIGN, “Forward-Focused: For Dreams and Beyond”

FORWARD  
FOCUSED.   
FOR DREAMS AND BEYOND

Old Dominion University has launched “Forward-Focused: For Dreams and Beyond,” a \$500M capital campaign to fund scholarships and research opportunities for students, attract top faculty, invest in health sciences, deliver new athletic scholarships and ensure the campus continues to offer top-caliber modern facilities for living and learning. With the support of generous donors, the five-year campaign has already raised \$275 million.

**Athletics Goal: \$120M**  
• ***Raised to date: \$78M***

**OUR MISSION:** The mission of the ODAF is to raise financial support for Old Dominion University athletics and to ensure that our coaches and student-athletes have the resources necessary to compete for championships.

Members of the ODAF also enjoy the satisfaction of knowing their gifts are investments in the lives of our student-athletes, providing the academic foundation and character-building traits learned through a collegiate athletic experience. Because of you, we create winners in the classroom, in athletic competition, and in life.
